

There's a great new way to support your local Boy Scouts!

## Vehicle Donation Program

The *Redwood Empire Council* now has a Vehicle Donation Program. We picked this program because:

**It's stresses security:** Titles are always mailed separate from the vehicle pickup. (You don't really want to give your car and title to some guy with a tow truck you have never seen before, do you?)

**It's proven:** Hundreds of nonprofits currently use this program, including many Boy Scout Councils.

**It's efficient:** Because we participate in a network with other nonprofits, fees are low and a high percentage of proceeds come to us.

**It's easy for donors to use:** Donors can donate over the Internet or by phone.

Donors who support REC with a vehicle donation get:

- An Itemized Tax Deduction for the fair market value of their vehicle.
- The satisfaction of supporting youth programs in our local community.

**For complete information on Vehicle Donations:**
