You are entitled to a tax deduction for donating your vehicle.

Now you can donate your vehicle to our program. Go to our website and click on the "VEHICLE DONATION" icon or call 866-332-1778

Facts About Vehicle Donation

- ☞ **IT'S EASY.** You don't have to do anything except fill out some **paper work**. Once you mail in your paperwork, our service will call and pickup your vehicle within a week. The charity usually gets the funds from your vehicle within 8 weeks.
- ☞ **IT'S TAX DEDUCTABLE.** You are entitled to an itemized tax deduction of the fair market value of your vehicle. This is the full retail value less the cost of any repairs. You don't have to do any repairs to get credit for them. You are responsible for estimating your vehicle's value. Help from Kelley Blue Book is available at www.kbb.com.
- ☞ **It can be worth more to you than the dealer offers in trade in.** Compare what the dealer offers against the value of your tax deduction before you trade-in. Plus we get the net proceeds to do good things!
- ☞ **You can donate ANYTHING!** Cars, truck, airplanes, boats – any vehicle can be donated. There are different appraisal rules for different vehicles so make sure you check IRS publication 526 and your tax advisor.
